

The Church Has Left the Building 5/20/18

On Sunday, May 20, APC members and friends will come to church – like any other Sunday – except that this won't be like any other Sunday. On this day, instead of “going to church” for a worship service, we'll “be the church” and go out into the community to worship with our hands. **We invite you to participate in our third Church Has Left the Building (CHLTB) mission outreach event!**

Sign up now to “be the church” and support a mission opportunity planned for Sunday that speaks to your passion and talent. Away on May 20th? Participate by donating items from the Donation List.

Spaces are limited, so please list a first and second choice. You can sign-up directly on the Mission Council Bulletin Board, fill out the form below and return it to the Church Office or email: CHLTB@outlook.com with your name and first and second choices.

Name: _____
