PAKISTAN

TODAY we will be celebrating the 20th anniversary of the Presbyterian Education Board of Pakistan (P.E.B.) – the organization that hosted Rev. Diane last November. In July, Alice Price and Charlotte Dean will be going to Pakistan to offer teacher training with PEB teachers. Plan to stay after worship for a Fancy Fellowship complete with a cake and a “Taste of Pakistan,” as we celebrate our rich connections with Pakistan and PEB, and the meaningful work they do to educate girls and the “poorest of the poor” in Pakistan.

Back-to-school Backpacks theVillage

Have you noticed that the papers are full of ads with specials on school supplies? Why not plan a special shopping trip with your own children to fill a backpack for a deserving child in Philadelphia? We have 50 names of children and the supplies needed for the grade they will enter.

On the Mission Bulletin board in the Education Building hallway, you will find Backpack tags with the name of a child, their grade, gender and the items needed for their backpack.

Filled backpacks must be delivered to the church by August 5th. Place the backpacks at the foot of the stairs as you enter the Educational Building.

Thank you for your time and generosity in helping some child to a successful school year.
